FUTURE OF MINING

AGENDA: DAY ONE — THE FUTURE MINE

AUSTRALIA 2027

Where is mining heading, and what will change the way we operate?

	OPENING KEYNOTES				
08:00 - 09:00	Registration, Coffee & Networking				
09:00 - 09:15	Welcome to Future of Mining Australia 2027				
09:15 - 09:45	OPENING KEYNOTE: Build the Mine of Tomorrow. Today.				
09:45 - 10:15	CEO KEYNOTE: The Next Era of Australian Mining				
10:15 - 10:45	CEO PANEL: What Will Separate the Leaders from the Laggards?				
10:45 - 11:15	**MORNING BREAK & EXHIBITION**				
	THE BUSINESS OF THE FUTURE MINE MAIN PLENARY – CB1	**SMART & AUTONOMOUS MINE CB2**	**PROCESSING & CRITICAL MINERALS CB3A**	**ENERGY & RESILIENT OPERATIONS CB3B**	**PEOPLE, PROJECTS & PERFORMANCE CB3C**
11:15 - 12:00	PLENARY: The Productivity Challenge	Autonomous Mining — Beyond the Truck	The Intelligent Orebody	Electrifying the Mine	Asset Performance — Getting More From What We Have
12:00 - 12:45	PLENARY: Mining at a Turning Point	AI in Mine Planning & Operations	Smart Processing	Energy Security for Remote Mines	Project Delivery — From Study to Production
12:45 - 13:00	PLENARY SPOTLIGHT: WHAT ARE WE GETTING WRONG ABOUT THE FUTURE MINE?				
13:00 - 14:00	**LUNCH & EXHIBITION**				
14:00 - 14:40	COUNTRY FOCUS: Where Are the Next Mining Opportunities?	Connected Mine	Critical Minerals: From Resource to Opportunity	Water Security	Building the Next Mine
14:40 - 15:20	TECH STARTUP CHALLENGE	Digital Twins & Real-Time Mine Data	Ore Sorting & Selective Mining	Cybersecurity in the Connected Mine	The Productivity Reset
15:20 - 15:50	**AFTERNOON BREAK & EXHIBITION**				
15:50 - 16:30	PLENARY: Critical Minerals — Can Australia Capture More Value?	Autonomy in Practice	Advanced Processing	Battery Electric Mining	Mining's Changing Workforce
16:30 - 17:10	PITCH TO MAJOR MINERS	Technology Showcase: Five Solutions Worth Watching	Processing Innovation Showcase	Energy Innovation Showcase	Safety & Human Performance
17:10 - 17:45	CLOSING DEBATE: What Will the Mine of 2030 Actually Look Like?				
17:45 - 18:00	Day 1 Wrap-Up				
18:00 - 20:00	**NETWORKING DRINKS**				

Agenda subject to change.

FUTURE OF MINING

AGENDA: DAY TWO — MAKING IT HAPPEN

AUSTRALIA 2027

How do we build, power, operate and sustain the mine of the future?

	OPENING KEYNOTES				
08:00 - 09:00	Coffee, Networking & Hosted Buyer Meetings				
09:00 - 09:30	KEYNOTE: Building the Mines the World Needs				
09:30 - 10:00	CEO CONVERSATION: The Investment Decisions Behind the Future Mine				
10:00 - 10:30	PLENARY PANEL: From Resource to Production — Why Is It Still So Hard?				
10:30 - 11:00	**MORNING BREAK & EXHIBITION**				
	THE BUSINESS OF THE FUTURE MINE MAIN PLENARY – CB1	**SMART & AUTONOMOUS MINE CB2**	**PROCESSING & CRITICAL MINERALS CB3A**	**ENERGY & RESILIENT OPERATIONS CB3B**	**PEOPLE, PROJECTS & PERFORMANCE CB3C**
11:00 - 11:40	PLENARY: The Mine-to-Market Challenge	Autonomous Underground Mining	Critical Minerals Processing in Australia	The Electrified Mine	Major Project Execution
11:40 - 12:20	PLENARY: Technology That Pays Its Way	AI for Maintenance & Reliability	Lower Grade, Better Recovery	Powering Remote Operations	Capital Discipline & Productivity
12:20 - 13:00	GEN Z SPOTLIGHT: The Next Generation Takes the Stage	Human + Machine	The Future of Mineral Processing	Climate Resilience at Site Level	Workforce Planning for the Next Mine
13:00 - 14:00	**LUNCH & EXHIBITION**				
14:00 - 14:40	EXCLUSIVE LEADERS ROUNDTABLE				
14:40 - 15:20	PLENARY: The Resilient Mine	The Next Step for Autonomous Operations	Mine Waste as a Resource	Water, Tailings & Environmental Risk	Responsible Project Development
15:20 - 15:40	**AFTERNOON BREAK & EXHIBITION**				
15:40 - 16:00	CLOSING KEYNOTE: What Needs to Change Now?				
16:00	**EVENT CLOSE**				

Agenda subject to change.
